

**American Society for Engineering Education
Southeastern Section**

A RESOLUTION

Whereas the American Society for Engineering Education, Southeastern Section has established as its Core Value the following: "...to promote the betterment of engineering education within the Section through collegiality and friendship, while fostering a spirit of mutual enjoyment for all...";

Whereas Thomas Dion, Professor of Civil Engineering, The Citadel, joined the Southeastern Section many years ago and faithfully participated in Section activities until his retirement in 2012;

Whereas throughout these years Dr. Dion contributed significantly to the Section's efforts in striving to achieve its Core Values;

Whereas part of his efforts included serving in all officer positions in several Divisions, Campus Rep Coordinator for many years, and in positions leading to a term as Section President;

Whereas he also worked diligently to help modify and revise the Section's Bylaws and Constitution where the Section has been able to operate in a stable and sustained manner;

Whereas Dr. Dion's many accomplishments have been highly recognized through his selection as the fourth recipient of the Tony Tilmans Service Award in 2005;

THEREFORE BE IT RESOLVED:

THAT the Southeastern Section of the American Society for Engineering Education at its 2012th Annual Meeting held in Starkville, Mississippi does hereby wish to acknowledge with grateful appreciation all of **Thomas Dion's** contributions and life's work that have significantly contributed to the Success and Stability of the Southeastern Section.

Motion Approved by the Section 3 April 2012:

Brent Jenkins, President

Tulio Sulbaran, Secretary-Treasurer
